

Directions: Wash and pat skin dry. Apply small amount with fingertips to freshly cleansed and toned face, neck and decollete areas (avoid direct contact with eyes). Allow time to absorb prior to Replenishing Cream moisturizer application.

SYRINGA Vitamin C Serum is blended and refined to reduce appearance of wrinkles & fine lines while helping boost collagen, fade sun & age spots and improved skin firming.

For External use only. Discontinue use if redness or irritation occurs. Avoid direct contact with eyes. Keep out of reach of children. Store in a cool, dark place.
